Notes to the financial results:

- The Statement has been prepared in accordance with the Indian Accounting Standards ("Ind AS 34") as prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and in terms of Regulation 33 of SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015, as amended.
- The Company is engaged in the business of sales of automotive tyres, tubes and flaps. The Company sells tyres of its own brand "Goodyear". The Chief Operating Decision Maker (CODM), Managing Director, performs a detailed review of the operating results, thereby makes decisions about the allocation of resources among the various functions. The operating results of each of the functions are not considered individually by the CODM, the functions do not meet the requirements of Ind AS 108 for classification as an operating segment, hence there is only one operating segment namely, "Automotive tyres, tubes & flaps".
- The figures of last quarter of previous year are the balancing figures between audited figures in respect of the full financial year and the published year to date figures up to the third quarter of the financial year which were subjected to limited review.
- On November 21, 2025, the Government of India notified four Labour Codes, effective immediately, replacing the then existing 29 labour laws. In accordance with Ind AS 19 – Employee benefits, changes to employee benefit plans arising from legislative amendments are treated as plan amendments, requiring immediate recognition of changes in the past service cost in the standalone financial results. This approach is consistent with the guidance issued by the Institute of Chartered Accountants of India. The Company had assessed the impact of these changes and recognised an past service cost aggregating to Rs.2,177 lakhs, as exceptional items in the financial results for the year ended March 31, 2026. Consequent to the employee compensation restructuring during the quarter, the Company has remeasured its gratuity and compensated absences obligations as at June 30, 2026. The remeasurement resulted in a reversal of past service cost previously recognised in earlier quarters, aggregating to Rs.818 lakhs, which has been recognised as an Exceptional Item in the Statement of Profit and Loss for the quarter ended June 30, 2026.
- This Statement has been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on August 12, 2026. The financials results for the quarter ended June 30, 2026 have also been subjected to limited review by the Statutory Auditors of the Company.
